

BETTSY ROSS EDUCATIONAL FUND

Established in July 1988 to assist NCOA Auxiliary Division members wishing to prepare themselves for employment or improve on employable skills, Betsy Ross Grants are designed to help defray the cost of taking a course at an accredited local business or technical school.

Each year 12 one-time grants in the amount of \$250 are awarded to Auxiliary members. Upon selection NCOA will forward a check on behalf of the applicant to the school of their choice.

The Betsy Ross Educational Fund was not named for the Betsy Ross who stayed up all night sewing our first American Flag. We were fortunate enough to have our very own Betsy Ross. Betsy Ross served two terms as President of the NCOA International Auxiliary. Betsy was a strong supporter of NCOA and the Auxiliary for many years and was a strong proponent for educational benefits for spouses of military members. The NCOA Board of Directors recognized her lifelong efforts to help others and her many selfless sacrifices for this Association by naming the grant in her honor.

The Betsy Ross Educational Fund is one more good reason for being a member of this great Association. NCOA pledges to you, our member - we will never stop searching for ways to better serve you and your family.
